

Colleen Kettles, Director of Workforce & Business Development

SOLAR ENERGY APPRENTICESHIP

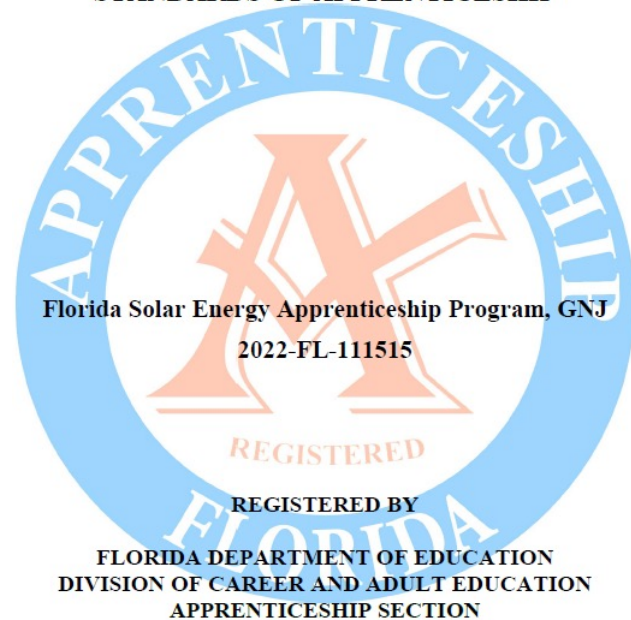

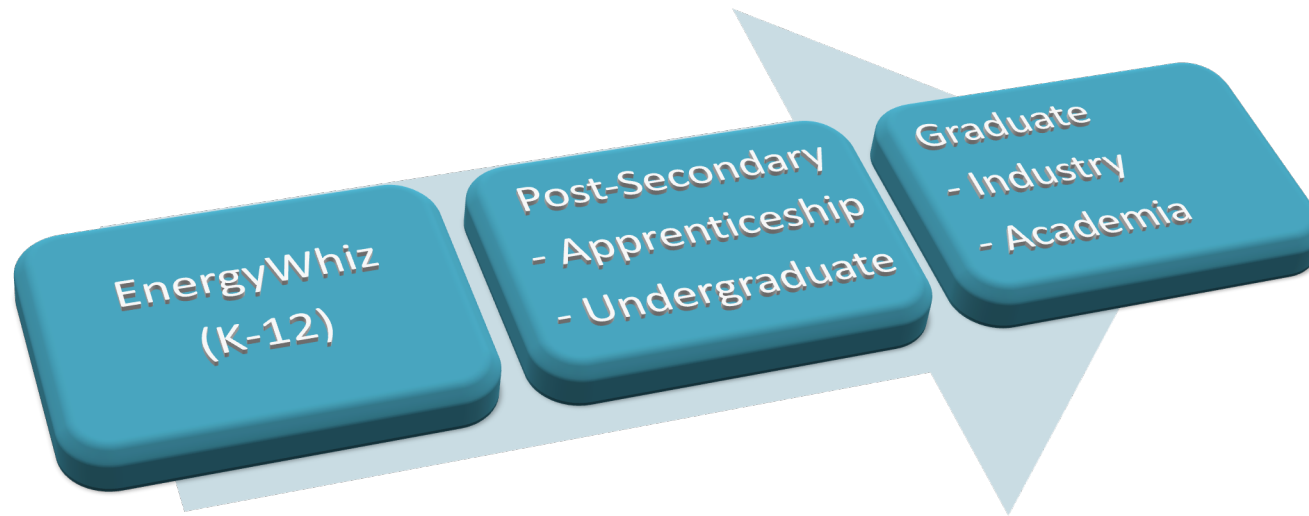

Solar Energy Technician

- **First and only solar apprenticeship program in the country registered with the US Department of Labor**
- FSEC and FlaSEIA partnership
- Pathway to solar contractor license or higher education
- FSEC developing and producing online training and instructional materials

*“Workforce education is a top priority for Gov. DeSantis and the Florida Department of Education, with the goal of being #1 in the nation by 2030. FSEC plays a pivotal role in securing Florida’s future.”
Kathryn Wheeler, Director of Apprenticeship.*

STANDARDS OF APPRENTICESHIP

FSEC's Workforce Pipeline for the Clean Energy Industry
